The Finance Committee has developed an operating budget for 2009. They told us to expect a \$5,000 shortfall. We are asking that you pledge your membership dues now to help us determine the next steps to take.

Please take a moment to consider what you can contribute, then complete this form and return it to us. We enclosed the direct payment plan authorization form for your convenience. There is no need to send money now (unless you want to). You will receive your payment coupons in December.

Thank you for your generous support!
