

URGENT MEETING!

PROTECT OUR NATIVE AMERICAN SISTER RELATIVES

Many unreported violent & sexual assaults have been committed against our Native American sisters in the Franklin Avenue corridor. Come & support our Native Women through our Sisterhood unity, nurturing our wounded, and pray as one for the heart of our women!

We need the men in our community to take their place as Warrior-Protectors and join us in this effort!

"To be a Dakota woman, a relative, I can't turn my back, or look the other way, I can't call myself Dakota without protecting my Indigenous sisters."
