Welcome to this Gathering

All Nations, All Faiths, One Prayer is respecting each others' traditions, culture and religions.

There is one Creator and one Mother earth that we all share. We have gone all over the world once a year to pray with other faith communities and Indigenous Nations at their Sacred Sites. We have traveled to the United Nations to talk about the environment and prophecies.

As First Nations we have committed ourselves to maintaining our sacred way of life. We ask all Faiths to join us in a great Healing on June 21st in a Sacred Hoop of Life where there is no ending and no beginning!

Mitakuye Oyasin (all my relations)

This is a (No Impact) Gathering. Please leave no trace of our presence. We are asking each and every human being present to be conscious of their paper and product waste and to take what you can with you home.
