In A.D. 1837 I married Angelique Renville, a half breed Sioux of the Medawakanton band, aged 20 yrs., her mother was a full blood of said band; her Father was a half breed of the same band. I have six children living, by her Marguerite aged 15 yrs., Angeline Louise, aged 13 years; Mary Agnes

aged 11 yrs.; George H. aged 5 yrs.; Frederick aged 3 yrs.; Henry H. aged eight months.

I further say that in A. D. 1851, I took, to bring up & support, Louise Allard, a daughter of Peter Allard & his wife Margaret, whose name before marriage was Reed, & who was a full blood of the Wahpatoon band. Said Louise Allard is a half blood of said band. Her father & mother are both dead. I am her God-father & have maintained & supported her & taken the same care of her as of one of my own children, but am not appointed by the Court as her Guardian; she has none appointed, & was very poor & destitute when I took her at the death of her parents. She is ten years of age.
