

Honoring Our Ancestors Saturday Feb 9, 2019. We will meet even if it is very cold. Consider the people back in 1862 who were forced to walk with no food, warm clothes, and no real shelters. Many were woman and children, the sick and elderly. In Addison to the above, native people lost everything they knew and loved. EVERYTHING!

On December 26, 1862, the U.S. military lynched 38 of our Dakota patriots in the largest mass execution in United States History. On November 7, 1862, a group of about 1,700 Dakota, primarily women and children, were forcibly marched from the Lower Sioux Agency to a concentration camp at Fort Snelling.
