

TOWARD HEALING MINDS & HEARTS

REFLECTING FOR RIGHT
RELATIONSHIP AND CONCILIATION

All are welcome to gather for a day of prayer,
listening, and learning.

The Twin Cities Catholic Racial Justice Coalition, in partnership with the Church of Gichitwaa Kateri, is hosting this special afternoon together with guest speaker Dr. Samuel Torres, Deputy Chief Executive Officer of the National Native American Boarding School Healing Coalition.

We will examine our complex shared histories of Native Boarding Schools, including our Catholic Church's involvement, through stories, research, and reflection on intergenerational trauma. Together we will explore possible conciliatory actions and experience the vitality of Native cultures.
